**Clerks of the Community and Town Councils in
The County Borough of Blaenau Gwent**

09 April 2019

Dear Sir/ Madam

**REVIEW OF THE ELECTORAL ARRANGEMENTS FOR THE COUNTY BOROUGH
OF BLAENAU GWENT**

I enclose two copies of the Commission's Final Recommendations for the electoral arrangements for the County Borough of Blaenau Gwent that have today been submitted to the Welsh Government for consideration. The report can be viewed on the Commission's website at www.ldbc.gov.wales.

Under Section 37 of the Local Government (Democracy) (Wales) Act 2013, on receipt of the report, the Welsh Government may, if it thinks fit, make an order giving effect to any recommendations made to it by the Commission either as submitted or with modifications. Any order giving effect to such recommendations shall not be made until after the expiry of six weeks from the day on which the recommendations were submitted.

Copies of the report together with a map have been placed on deposit at the Offices of the Blaenau Gwent County Borough Council and at the Offices of the Commission and will be available for inspection until the expiration of six months after the making of any order giving effect to the recommendations, or after a notification by the Welsh Government that it does not propose to give effect to the recommendations.

Yours faithfully

Shereen Williams
Chief Executive

LOCAL DEMOCRACY AND BOUNDARY COMMISSION FOR WALES

Nantyglo

42. The existing Nantyglo electoral ward is comprised of the Nantyglo ward of the Town of Nantyglo and Blaina. It has 3,289 electors (3,358 projected electors) represented by three councillors which is 29% below the proposed county average. The electoral ward has an estimated population of 3,530 eligible electors.
43. In its Draft Proposals the Commission proposed two options, including the use of the boundaries of the existing Nantyglo ward to form a two-member ward. Both options reduced the number of councillors representing the ward by one member.
44. The Commission received three representations in response to the Draft Proposals regarding this area from: Blaenau Gwent County Borough Council, Brynmawr Town Council and the Nantyglo and Blaina Town Council. Blaenau Gwent County Borough Council supported the option to use the boundaries of the existing Nantyglo ward (Option A) as proposed by the Commission in the Draft Proposals Report.
45. Brynmawr Town Council supported the boundary change as proposed in Option B of the Draft Proposals Report. This proposal included a boundary change transferring 322 electors from the Nantyglo ward into the Brynmawr South ward of the Town of Brynmawr.
46. The Nantyglo and Blaina Town Council stated that they also supported Option A as proposed by the Commission in its Draft Proposals Report. Nantyglo and Blaina Town Council stated that the proposal put forward in Option B would have an adverse effect on the annual precept calculation and the subsequent precept demand of the Town Council.
47. The Commission recommends the Nantyglo ward is used to form an electoral ward of 3,289 electors (3,358 projected electors) which, if represented by two councillors, would result in a level of representation that is 6% above the proposed county average.
48. The Commission considers that the recommended electoral ward utilises clearly identifiable boundaries which are recognisable to the electorate. The recommended electoral ward would build on the established community, communication and social links within the existing electoral ward boundary, as well as ensuring a compact urban electoral ward which has an appropriate level of electoral parity.
49. The Commission proposed the Welsh language name of Nant-y-glo and the English language name of Nantyglo in the Draft Proposals. The Welsh Language Commissioner agreed with the proposed name. The Commission received no representations in regard to the name.
50. The Commission has given the recommended electoral ward the Welsh language name of **Nant-y-glo** and the English language name of **Nantyglo**. The Welsh Language Commissioner agreed with the recommended name. Any comments on the recommended name can be sent to the Minister for Housing and Local Government.
51. The Commission considers that this recommendation would be desirable in the interests of effective and convenient local government.

LOCAL DEMOCRACY AND BOUNDARY COMMISSION FOR WALES

Blaina

34. The existing Blaina electoral ward is comprised of the Blaina ward of the Town of Nantyglo and Blaina. It has 3,479 electors (3,511 projected electors) represented by three councillors which is 25% below the proposed county average. The electoral ward has an estimated population of 3,777 eligible electors.
35. In its Draft Proposals the Commission proposed two options, including the use of the boundaries of the existing Blaina ward to form a two-member ward. Both options reduced the number of councillors representing the ward by one member.
36. The Commission received one representation in response to the Draft Proposals regarding this area from Blaenau Gwent County Borough Council. The Council supported (Option A) the option to use the boundaries of the existing Blaina ward as proposed by the Commission in the Draft Proposals Report.
37. The Commission recommends the Blaina ward is used to form an electoral ward of 3,479 electors (3,511 projected electors) which, if represented by two councillors, (a reduction of one councillor), would result in a level of representation that is 13% above the proposed county average.
38. The Commission considers that the recommended electoral ward utilises clearly identifiable boundaries which are recognisable to the electorate. The recommended electoral ward would build on the established community, communication and social links within the existing electoral ward boundary, as well as ensuring a compact urban electoral ward which has an appropriate level of electoral parity.
39. The Commission proposed the Welsh language name of Y Blaenau and the English language name of Blaina in the Draft Proposals. The Welsh Language Commissioner agreed with the proposed name. The Commission received no representations in regard to the name.
40. The Commission has given the recommended electoral ward the Welsh language name of **Y Blaenau** and the English language name of **Blaina**. The Welsh Language Commissioner agreed with the recommended name. Any comments on the recommended name can be sent to the Minister for Housing and Local Government.
41. The Commission considers that this recommendation would be desirable in the interests of effective and convenient local government.
