Hi Lisa,

Thanks for your e-mail.

There has actually been an increase in the amount of lights put up in Blaina this year (additional lights have again been purchased). There is an issue in the High Street in respect of empty shops which means that if lights are erected there, there is no power to run them. Additionally, some traders do not always switch the lights on in the evening (the launderette for example will switch the lights on in the day but not the night despite being given a timer for this purpose).

There are less column lights put up this year due to their cost and fragility (we have very few due to breakages). The column lights are also very difficult to put and take down due to the location and height of the posts.

I have spoken to Russell Dunham who has advised that there are lights erected in the trees within the grounds of St Peter's as in previous years.

We are hoping to increase the amount of Christmas lights yet again (where possible) for next year in both Blaina and Nantyglo.

Please call me to discuss further if necessary.

Many thanks Lisa.

Kind regards

Tracy

Subject: Christmas lights in Blaina

Hi Tracy,

Sadly this year I have received quite a lot complaints regarding the lack of Christmas light in Blaina High Street, and due to this, I have felt compelled to write into the Town Council regarding this.

Residents are disappointed at the lack of string lights going up the High Street and also the lack of lights on lampposts and shops, and I will state, that I personally also feel that we do not have as many lights on our high street as we normally do or on the trees adjacent to the High Street in St. Peters Church grounds.

Can you please advise me if any of our light have broken, and is this the issue of the seemingly lack of light in the town?

Yours Sincerely

Lisa Winnett

VE DAY 75

TOWN & PARISH COUNCILS TAKE THE LEAD IN THE VE DAY 75 CELEBRATIONS

Town and Parish Councils throughout England and Wales are taking the lead in the organisation of local celebrations marking the 75th Anniversary of the end of the war in Europe on the 8th - 10th May 2020. After six years of fighting, the end of hostilities were officially announced on the 8th May 1945 by Prime Minister Winston Churchill. That date has since become enshrined in history as VE Day.

VE Day 75, on the weekend of 8th - 10th May 2020, will be an international celebration of peace – a time to remember, reflect and pay tribute to the millions who played such a vital part in achieving it. This includes the Armed Forces personnel from many countries who gave their lives or were physically and mentally injured; the hard-working women and men who kept the factories, mines, shipyards and farms operating throughout the years of turmoil; the ARP wardens, police officers, doctors, nurses, firemen, local defence volunteers and many others safeguarded the home front.

SSAFA the Armed Forces Charity - which has been supporting service personnel, veterans and their families since 1885 - are the charity partner for this series of VE Day 75 commemorative events.

Sir Andrew Gregory, chief executive of SSAFA, the Armed Forces charity, said "It is our duty to keep the events of the past alive in collective memory, including future generations - this is how we ensure that such a conflict never happens again. It is our hope that the nation takes a moment to reflect on the significance of this date, as a milestone that changed the course of history for the whole world."

We would like to encourage you to engage with your local SSAFA branch to ensure community collaboration. To find out the location and contact details of your local SSAFA branch visit: www.ssafa.org.uk/get-help/find-local-branch/

The planned activities over the weekend are as follows, please go to the VE Day 75 website – www.veday75.org to see the complete overview for this anniversary:

- The Playing of Battle's O'er & VE 75 Years
- The 'Nation's Toast to the Heroes of WW2'
- The 'Cry for Peace, around the World'
- Churches & cathedrals 'Ringing out for Peace'
- Street parties and parties in pubs, clubs, Hotels, on town and village greens and in halls etc
- Services of commemoration and celebration in churches, including the reading of the 'Tribute to the Millions' and the playing of the Last Post

The following pages have a run down of the timings and further details of these events.

BANK HOLIDAY FRIDAY 8TH MAY 2020 (designated a bank holiday by HM Government so all can partake).

3pm – Battle's O'er & VE 75 Years

3pm is the time Winston Churchill officially announced the end of the War in Europe from the Cabinet Office, 10 Downing Street, London, and to mark this unique occasion, pipers from around the world will open **VE Day 75** by playing the traditional piper tune, Battle's O'er, and the specially commissioned piece, VE 75 Years, at 3pm local time in the country they are in, paying tribute to the millions from home and abroad.

Battle's O'er will be played by pipers from the top of the four highest peaks in the UK - Ben Nevis, SCOTLAND; Scafell Pike, ENGLAND; Mount Snowdon, WALES, and Slieve Donard, NORTHERN IRELAND – and also at the five furthest points in the UK. Other unique locations include the Bridge over the River Kwai, Thailand, and at a number of sites that previously held concentrations camps during WW2. All local parishes are encouraged to you try and source a local piper to play at a location of your choice at 3pm. All pipers taking part can register their involvement at the VE Day 75 website – www.veday75.org.

3pm – The Nation's Toast to the Heroes of WW2

To coincide with the playing of Battle's O'er, and from a location of their choice, local mayor's and other civic leaders are being encouraged to lead their local communities in the 'Nation's Toast to the Heroes of WW II' paying 'tribute' by raising a glass and toasting the millions at home and abroad that gave so much for our freedom. This could be undertaken from the steps of the Town Hall, the centre of a village green or town square, in the local community hall during a celebration that day, or other locations of choosing . Please register your toast on the VE Day 75 website.

6.55pm – A Cry for Peace Around the World

Town Criers and members of local communities will be undertaking 'A Cry for Peace Around the World,' and will be performed at 6.66pm local time in locations around the world, starting in New Zealand. Town Criers and others undertaking this 'Cry' can register their involvement and download the official 'Cry' from www.veday75.org

7pm – Ringing out for Peace

Bells in churches and cathedrals will ring out at 7pm in a collective celebration of VE Day 75. The sound of church bells is deeply rooted in British culture; providing the grand soundtrack to our historic moments. This aspect of VE Day 75 could not be more appropriate, ringing out around the world to celebrate the peace we share today. Please encourage your local church to take part, registering their participation on the VE day website – www.veday75.org

12 noon onwards – Parties and Celebration

Parties and celebrations to take place in pubs, clubs and hotels, on town and village greens and in our streets, bringing the communities of the nation together in common celebration and friendship. Those town and cities twinned with others around the world are encouraged invite them to join in this joyous occasion. Please register your party on the VE day 75 website – www.veday75.org.

SATURDAY 9TH MAY 2020

Parties and celebrations continue.

SUNDAY 10TH MAY 2020

10.30am – Church Services of Celebration and Commemoration

Services will take place in cathedrals and churches throughout the UK, Channel Islands and the Isle of Man to celebrate the peace we share today and remember those who lost their lives or returned home dreadfully wounded. The services will also recognise the sacrifices of those who kept the nation fed and functioning during years of turmoil, so please encourage your local churches to participate, involving other faiths too. Churches wishing to take part should register their involvement on the VE Day 75 website – www.veday75.org

Tribute to the Millions & the Last Post

Those planning services will be encouraged to ask a representative from their local community to read out the Tribute to the Millions, which can be downloaded at www.veday75.org, and involve a local bugler or trumpeter to play the Last Post and Reveille. Participation can also be registered on the VE Day 75 website – www.veday75.org.

We do hope that you will join other towns and parishes and take part in **VE Day 75** and honour those from your communities who served at home and aboard. Please be kind enough to register your involvement in one or more of the events by going to the VE Day 75 Website – www.veday75.org as soon as possible or by no later than 1st May 2020. Registering enables us to keep in touch with you, update you on progress, and inform the media of your participation nearer the time, as well as letting local people know what is happening in their area. Also please remember to engage with your local SSAFA branch to ensure a successful collaboration between the community and the local Armed Forces family. Please can you also promote VE Day 75 and the three days of commemorative celebrations on your website, parish magazines, notice boards and social media such as Facebook and Twitter.

Those that have already registered are being respectfully requested NOT to register again.

Subject: Fwd: WALES & VE DAY 75

Dear Lyn,

RE: WALES & VE DAY - 8TH MAY 2020.

May I first take this opportunity to wish you both a very Happy New Year, and to thank you for the amazing support you gave towards the preparations for celebrating the 75th Anniversary of VE Day - 8th May 2020, marking the end of the war in EUROPE, but NOT forgetting those still in conflict until 15th August - VJ Day 1945.

We have had quite a few enquiries regarding us not forgetting the important part that women played during WWII while their husbands, daughters, sons and sweethearts were overseas, not knowing if they would ever return, but still having to keep the 'home fires burning' at home by working in the fields, factories and hospitals etc, during dreadful conditions.

We would be grateful therefore, if you would be kind enough to distribute the attached to all your Councils in Wales as soon as possible please, especially as we have only four months to go before VE Day 75 - 8th May 2020, and would really like to encourage the women of the Nation, to lead the

Nation in the 'Nation's Toast to the Heroes of WWII' at locations of their choice within their own local communities, undertaking the wording on the attached 'Toast' which can also be downloaded from the DOWNLOAD section of the VE Day 75 website - www.veday75.org.

We feel this would be a very simple but meaningful way for women to pay their personal 'tribute' to the women of WWII that gave so much during difficult and emotional times. It also provides the opportunity to involve Care Homes within the many communities of Wales too.

It is important however, that those wishing to take part go to the NATIONS TOAST page of the website - www.veday75.org and register their involvement, to enable us to keep in touch with them, along with informing the worlds media of their participation nearer the time.

Those taking part, can also go to the DOWNLOAD section of the website to download their Certificate of Grateful Recognition to enable them to print, frame and keep it as a lasting memory of their involvement in VE Day 75.

Your earliest assistance would be extremely appreciated.

PLEASE CONFIRM THE DATE OF DISTRIBUTION

My warmest regards to you both as always.

VE DAY

75TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

8 - 10 MAY 2020

**VE DAY 75 – 8TH MAY 2020:
A UNIQUE OPPORTUNITY TO PAY TRIBUTE
TO THE HUGE CONTRIBUTION OF WOMEN DURING THE DARK DAYS OF WWII**

VE Day 75 provides an exceptional opportunity to pay tribute to the millions of women who contributed so much to the war effort during 1939-45. They played a vital role during the years of conflict, most of them not knowing if their husbands, sons, daughters and sweethearts would ever return home.

So let us ensure that the VE Day 75 celebrations on the 8th May recognise and thank the millions of women in the UK, Channel Islands, Isle of Man and countries around the world who worked so tirelessly and sacrificed so much.

As part of our celebrations, four young women will climb the four highest peaks in the United Kingdom – Ben Nevis, Scotland; Mount Snowdon, Wales; Scafell Pike, England, and Slieve Donard, Northern Ireland. When each of them reaches their chosen peak at 3pm on the 8th May they will perform the Nation's Toast to the Heroes of WWII on behalf of women around the world. It will be the first time such an undertaking has occurred and I applaud their initiative.

We would like the communities throughout Wales to encourage women in their communities to pay a personal tribute to their courageous forebears by raising a glass or another refreshment of their choice and carry out the Nation's Toast to the Heroes of WWII at a location of their preference at 3pm on the 8th May. Let us all ensure that the important part played by women during the war is truly celebrated.

This event also provides a unique opportunity for the communities of Wales to involve the various homes for the elderly within local communities too, ensuring they feel part of the celebrations on 8th May.

VE Day 75, over the weekend of 8th - 10th May 2020, will be an international celebration of peace – a time to remember, reflect and pay tribute to the millions of people who played such a vital part in achieving it. This includes armed forces personnel from many countries who gave their lives or were physically and mentally injured; the hard-working women and men who kept the factories, mines,

shipyards and farms operating; the ARP wardens, police officers, doctors, nurses, firemen, local defence volunteers and many others who safeguarded the home front.

The following series of commemorative events over the weekend will recognise the contributions of everyone during WWII, while raising valuable funds for our charity partner, SSAFA the Armed Forces Charity, which has been supporting service personnel, veterans and their families since 1885.

- The piping of Battle's O'er & VE 75 Years
- The Nation's Toast to the Heroes of WWII
- The Cry for Peace Around the World
- Churches & cathedrals Ringing Out for Peace
- Street parties and celebrations in pubs, clubs and hotels, on town and village greens and in village halls
- Services of commemoration and celebration in churches, including the reading of the Tribute to the Millions and the playing of the Last Post and Reveille.

For further information and those wishing to take part and register their involvement, please go to the VE day 75 website – www.veday75.org and register your/their event by **NO** later than **30th April** to enable us to keep in touch with them, along with informing the media of their involvement nearer the time.

Good afternoon,

I hope this email finds you well. My name is Naomi and I work for a television production company called Avanti Media. We are currently in the pre-production phase of an upcoming BBC1 7.30pm documentary following the stories of various individuals who attend Berea Mosque in Blaina.

I just wanted to get in touch requesting any information you may have on upcoming events in the Blaina and Nantyglo area between now and April 2020. I had a quick look on the website but could only find 2019 events. It would be fantastic to know what's happening in the locality that we could potentially capture or be aware of, such as St Davids Day for example.

Do let me know,

Thanks and looking forward to hearing from you,

Naomi
