Financial regulations are one of the Council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the Council's standing orders and any individual financial regulations relating to contracts.
- 1.2 The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk.

- 1.7 Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute and may represent a breach in the Councillor's Code of Conduct.
- 1.8 The Responsible Finance Officer (RFO) holds a statutory office (*s.151 Local Government Act 1972*) to be appointed by the Council. [The Clerk has been appointed as RFO for this Council and these regulations will apply accordingly.]

- assists the Council to secure economy, efficiency and effectiveness on use of its resources; and
- produces financial management information as required by the Council.

1.11 The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the Council and the matters to which the income and expenditure or receipts and payments account relate.
- a record of the assets and liabilities of the Council; and
- wherever relevant, a record of the Council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

- approving an annual governance statement;
- borrowing;
- writing off bad debts;
- addressing recommendations in any report from the internal or external auditors, shall be a matter for the full Council only.

- 6.6 Cheques or orders for payment shall not normally be presented for signature other than at a Council or committee meeting (including immediately before or after such a meeting). The approval of the use of a variable direct debit shall be renewed by resolution of the Council at least every two years.

The approval of

the use of a banker's standing order shall be renewed by resolution of the Council at least every two years.

The approval of the use of BACS or CHAPS shall be renewed by resolution of the Council at least every two years.
- 6.10 Two nominated members plus the Town Clerk / RFO (processing officer) will be issued with a personal identification number (PIN), card and card reader. These will be the only authorised users of internet banking. Each payment will require authorisation by one of the two members AND the Town Clerk / RFO (processing officer). In an emergency and in the absence of the 'processing officer' all payments;
- a) will need to be made by cheque until a replacement 'processing officer' can be approved.
  - b) One of the two approved councillors is to become the 'Processing Officer' and the other the payment approver.
- Until a replacement 'Processing Officer' can be approved.

- 6.12 Regular back – up copies of the records on any computer shall be made and shall be stored securely away from the computer in question.
- 6.13 The Council, and any members using computers for the Council's financial business, shall ensure that the anti-virus, anti-spyware and firewall, software with automatic updates, together with a high level of security, is used.
- 6.14 Where internet banking arrangements are made with any bank, the Clerk/RFO shall be appointed as the Service Administrator ('processing officer'). The bank mandate approved by the Council identifies three Councillors who will be authorised to approve transactions on those accounts.
- 6.15 Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link. Remembered or saved password facilities must not be used on any computer used for Council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.

- 6.16 Changes to account details for suppliers, which are used for internet banking may only be changed on written hard copy notification by the supplier and supported by hard copy authority for change signed by [two of] the Clerk /RFO and a member. A programme of regular checks of standing data with suppliers will be followed.
- 6.17 The process for authorising payments from the Nantyglo & Blaina Town Council Business (Current) Lloyds Bank Account to creditors with reciprocal internet banking arrangements. The relevant electronic bank details of the recipient organisation must be known in order for the transaction to be processed. The maximum permissible payment level is understood to be £250,000 but individual transactions are usually for less than £1,500.
- 6.18 Each transfer requires the physical presence (in the Town Council Office) of at least 2 named individuals, one of whom must be the Town Clerk/RFO, in the presence of one of two authorised members. These designated members are all approved cheque signatories. The Town Clerk must be present for all transactions. Please note that issues e.g. such as coronavirus legislation may impact upon this and that the Town Clerk (processing officer) may process & authorise the payments and then e-mail another authorised member all details of the payments that require authorising and request that these payments be authorised. That authorising member then e-mails the Town Clerk when the payments have been authorised. The Town Clerk then prints a copy of the bank statement to check that only those payments have been authorised and retains a copy for the file.
- 6.19 The Town Clerk/ RFO is responsible for the safekeeping of a security card which authorises the initiation of payments by use of a PIN. The PIN card entry machine is kept securely in the admin office at the Blaina Institute building. Each of the authorised members is responsible for the safekeeping of a security card which authorises the approval of payments by use of a PIN.
- 6.20 The authorising member witnesses the Town Clerk/RFO logging into the system and entering all relevant details to initiate the payment. The 'date of last log' is clearly displayed on the screen and this can be confirmed by the witness to a file record. This arrangement ensures that the previously recorded payment transaction was legitimate, properly authorised and there has been no other transactions since that date (i.e. nothing in-between). As in 6.19, the printing and retaining of the bank statements will also confirm this whereby it is not possible for the 'logging-on' to the system be witnessed.
- 6.21 Once the authorised member has witnessed and confirmed their satisfaction with the details of the payment transaction, the Town Clerk/RFO logs out of the system and the screen indicates that there is an outstanding payment awaiting authorisation.
- 6.22 The authorised member present then logs into the system, using the card reader assigned to them by Lloyds Bank and with their own security card and PIN. The payment transaction details previously entered by the Town Clerk/RFO are then approved (or otherwise) by the member effectively acting as an approved cheque signatory. The process requests final confirmation of

approval for the payment, after which the authorised member logs out of the system (the time and date are recorded for future reference).

- 6.23 A record of the transaction and other printed documents are filed and retained in the Town Council office.
- 6.24 All expenditure payments must still be approved by the Finance and General Purposes Committee and subsequently ratified at Full Council in accordance with Standing Orders and Financial Regulation.
- 6.25 Any Debit Card issued for use will be specifically restricted to the Clerk/RFO and will also be restricted to a single transaction maximum value of £500 unless authorised by Council or finance committee in writing before any order is placed. *(Not currently used)*.
- 6.26 A pre-paid debit card may be issued to employees with varying limits. These limits will be set by the Council [Finance Committee]. Transactions and purchases made will be reported to the [Council] [relevant committee] and authority for topping-up shall be at the discretion of the [Council] [relevant committee]. *(Not currently used)*.
- 6.27 Any corporate credit card or trade card account opened by the Council will be specifically restricted to use by the Clerk/RFO and shall be subject to automatic payment in full at each month - end. *(Not currently used)*.
