Revised and adopted by Council: 25th February 2025

Revised: February 2025

Guidance for Members:

The Council is empowered to distribute grants under:

- s137 of the Local Government Act 1972.¹
- Power of Well Being, s2 Local Government Act 2000 and s126 Local Government (Wales) Measure 2011.²
- Other powers including the Local Government (Miscellaneous Provisions) Act 1976.³
- It is unlawful to award grants to individuals under s137 but may be given under the Power of Well Being. All applications for funding must conform to legislation.
- The Welsh Assembly reserved powers to impose limitations on the Power of Well Being and this is effectively the amount that can be spent under this power which is limited to the same criteria used to calculate the amount that can be spent under s137.⁴

Nantyglo and Blaina Town Council makes grant funding available to all local associations in Nantyglo and Blaina and sets aside annually agreed amounts as part of its annual budget. As grants are made out of money provided by the council tax payers of Nantyglo and Blaina, the Council has a responsibility to satisfy itself that grants will provide benefit to the local community.

Guidelines for the consideration of grant applications:

¹ A local authority may incur expenditure which in the members' opinion will "be in the interests of, and will bring direct benefit to, some or all of the inhabitants." It cannot therefore be given to an individual.

The Local Government and Housing Act 1989, Schedule 2 amended this power to state that the benefit obtained must be commensurate with the expenditure incurred. The Council must therefore consider whether the expenditure is reasonable in relation to the benefit derived therefrom.

s137 also enables the Council to give grants to National Charities and contribute to public appeals made by Mayors and Chairs of Principal Authorities.

² The Power of Well Being enables councils to do anything that is aimed at promoting and improving the environmental, economic or social well-being of its area.

³ s19 of this Act enables a Council to spend money to promote and provide recreational facilities and give grants to organisations providing such facilities.

⁴ The amount for 2025-2026 is £11.10 x the number of electors in a council area.

- Members will have to declare a personal interest in any organisation in which he/she is involved.
- Nantyglo & Blaina Town Council will only make grants to bona fide volunteering associations and organisation and / or individuals.
- Grants will only be made to associations based in Nantyglo and Blaina or to those which make a provision or are of benefit to Nantyglo and Blaina.
- Applications from organisations based outside of Nantyglo & Blaina but with membership consisting of persons from Nantyglo & Blaina will be considered but evidence may be required (e.g. names and addresses).
- All grant applications must be submitted in a written format, this includes e-mail applications. In all cases, only requests made via a completed Town Council application form will be considered.
- Each association must specify the reason for the grant application and supply additional information as applicable either to Finance and General Purposes Committee or the Ordinary meeting of the Town Council.
- All projects must acknowledge Nantyglo and Blaina Town Council's financial contribution. If the association's application is successful they must agree to indicate the sponsorship from Nantyglo and Blaina Town Council on their literature, i.e. Nantyglo and Blaina Town Council's logo included on the association's headed paper or in a match programme/poster, website banner.
- The Town Council will request in the letter to successful grant applicants that their support is recognised by participation in Town Council Events
- Only one grant will be given to an association in each financial year.
- Grants will not be awarded to individuals or to regional or national charities unless it is for a specific project in the Nantyglo & Blaina area where there are obvious benefits to the residents within the Council's area.
- The organisation or group should supply information that the Town Council requests regarding the impact of the project on the Town Council's area.
- Organisations which apply for grants must demonstrate that the awarded money is going towards a specific project and not just for capital gain.

- No grant will be awarded to or for any commercial venture or private gain or business activity.
- The application pack will consist of an application form and a Guidance for Applicants.

As of May 2018, the proposed authorised grant amounts are: £25, £50, £75 & £100. The amount of the grant award will be at the discretion of the Town Council. In order to provide a more accountable and fair system, it is proposed that the following criteria be considered:
