Hello,

I run community fitness classes for local town councils in the Torfaen area targeting the over 60s or those who need a gentler exercise session. These are funded sessions. Recently, many residents of Blaenau Gwent have begun attending and have expressed a desire to have these funded sessions available in Brynmawr or Blaina. The benefits are huge including social, emotional, defeating loneliness, falls prevention (evidence based!), support for those living with Parkinsons, dementia, ms, preventing health problems and the prevention of deterioration as we age. I have been successfully running these sessions in Torfaen for over three years and can provide much evidence from health practitioners who have attended to see for themselves how his helps reduce the NHS que and prevents falls. I wondered if your community council might be interested in funding a 10 week course to ascertain the benefits for local residents?

If you feel this may be of interest, I welcome any questions you may have.

Kind regards,

Good Morning Tracy,

Essentially I can accommodate as many as the chosen facility permits - the cost would be £25 per session plus hall fees (they are usually around the £12 mark). In Torfaen, there is no upper limit if attendees as long as the numbers are permitted by the facility, for example in my Blaenavon session, we get on average around 40 people coming (some of which come from Brynmawr and Blaina).

My number is 07484 737410 if you would like to discuss.

I am a qualified level 5 PT with exercise referral and specialism is Diabetes & Obesity, exercise rehabilitation, back care, cancer rehabilitation through exercise. Have a much experience in working with Parkinson's patients, dementia, Alzheimer's, autism, MS to name but a few.

Good morning Rachel,

Many thanks for your email.

Could you let me know how much would the cost be for such a course and how many people would this facilitate?

Many thanks and kind regards

Tracy

COMMUNITY COUNCILS

Dear Clerk,

**Appropriate Sum under Section 137(4)(a) of the Local Government Act 1972 -
Section 137 Expenditure Limit for 2026-27**

This is to notify you that the appropriate sum for the purposes of section 137(4)(a) of the Local Government Act 1972 (the 1972 Act) for Community and Town Councils in Wales for the financial year 2026-27 is £11.60.

Section 137(1) of the 1972 Act permits each Community or Town Council to incur expenditure for purposes for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure incurred. Community and Town Councils are also permitted under section 137(3) to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2026-27 will be £11.60 per elector.

For the financial year 2026-27, the appropriate sum for the purposes of section 137(4)(a) is calculated by applying the formula set out in Schedule 12B to the 1972 Act. The Retail Prices Index increased by 4% between September 2024 and September 2025. This means that, by application of the formula, the appropriate sum for the financial year 2026-27 increases from £11.10 to £11.60 per elector.

For clarity, the Local Government and Elections (Wales) Act 2021 includes provision which enables 'eligible community councils' to exercise the General Power of Competence. The power for Community and Town Councils to exercise the General Power of Competence came into force on 5 May 2022.

Llywodraeth Cymru
Welsh Government

The relevant **statutory guidance for community and town councils** explains the interaction between the two powers (i.e. the general power of competence and the power under s.137 of the 1972 Act). Community and town councils exercising the General Power of Competence are not subject to an expenditure limit, but other conditions apply. For all other community and town councils, the limit set out in this letter will apply.

Yours sincerely

To Clerk and Chairs of Community and Town Councils

“Improving our local places – Welsh case studies and planning updates”

Date March 19th 10:30 – 1:30pm £53 per person via Teams

We are delighted to announce that One Voice Wales and Planning Aid Wales have again teamed up to provide community and town councils with a joint event enabling councillors and Clerks to be at the forefront of current thinking in relation to the planning challenges and opportunities currently facing our communities and towns.

We are fortunate to welcome Penzance Town Council who will provide an insightful case study into their work on a Neighbourhood Plan for their community. We will also welcome Welsh case studies on their Place Planning approach. These case studies will improve your understanding of how the planning system can create long lasting and effective regeneration opportunities with community support.

We will also provide a range of useful planning updates including:

- Law updates (the forthcoming Planning (Wales) Bill and Infrastructure Wales Act 2024)
- Planning policy updates including advice on flooding and nutrient neutrality.
- Strategic planning updates – Strategic Development Plans in Wales and how they will impact your local area.
-

There will also be a session where we provide guidance to Community and Town councils when faced with a major planning application in your community and how best to respond. This will be a highly informative event for all with an interest in Planning, sustainability and addressing local issues. There will be an opportunity for open discussion between all delegates and speakers.
